**FREQUENTLY ASKED QUESTIONS**

**3 NOVEMBER 2009**

*This document has been prepared for information only in respect of the Notes, which were issued under the US\$5,000,000,000 Limited Recourse Secured Note Programme of Constellation Investment Ltd. arranged by DBS Bank Ltd.*

**CIT Group Inc. is an entity in certain portfolios (each, a “Collateral Portfolio”) underlying the collateral for each Series of the Notes. Under the terms of the collateral, a credit event in respect of CIT Group Inc. has been deemed to have occurred on 1 November 2009.**

**How are holders of the Notes affected by this?**

We can confirm that in respect of each Collateral Portfolio, the sum of:

- (a) the loss amount to be calculated in respect of CIT Group Inc’s credit event (even assuming the maximum loss amount possible); and
- (b) the loss amounts calculated or to be calculated in respect of credit events that have occurred to other entities making up such Collateral Portfolio prior to 3 November 2009 (even assuming that any loss amount not yet calculated as of 3 November 2009 is the maximum loss amount possible)

shall not exceed the threshold amount in respect of such Collateral Portfolio. Accordingly, CIT Group Inc’s credit event is not expected to trigger an early redemption event in respect of the Notes.

For the avoidance of doubt, as CIT Group Inc. is not one of the reference entities in the credit basket of any Series of the Notes, and no credit event has been deemed to have occurred under the Notes.

**Please note however** that we can give no assurance as to whether an early redemption event in respect of the Notes will occur for any other reason, including any future credit event that is determined to occur in respect of the Notes and/or any Collateral Portfolio after 3 November 2009.
